The company provides all staff with comprehensive in-house training, on-the-job training, and external courses led by professionals in the field. These value-added programmes focus on enriching our staff's knowledge and improving their expertise so as to provide the best travel experience for all destinations, worldwide.

PASSION & LOVE

When it comes to travel, there is no one more passionate and enthusiastic than us at EU Holidays. Our staff's love and dedication for their work drive them to deliver excellent, quality service. They are trained to be attentive to every detail of our customers' needs so as to fulfil what the customer desires, as much as possible.

EXCELLENT QUALITY MADE AFFORDABLE

Quality should never be compromised for affordability. This is why at EU Holidays, we believe in having the best of both worlds. Our tour packages are customised to offer the best value for your money - an attractive price point, 4- to 5-star accommodations, scrumptious meals, and an experience of a lifetime. EU Holidays is the only agency that offers you a night's stay in a 5-star Hilton hotel in Venice as well as a 5-star Heritage hotel in Interlaken.

INNOVATING TRENDSETTERS

EU Holidays has always strived to stay ahead of the latest trends, especially for travel and technology. Our company was the first travel agency to introduce exclusive tours to the Norway Arctic Circle, thus kick-starting the popular trend of winter holidays to Finland. We also make effort to reach out to tourism organisations and companies overseas to secure the best arrangements for our tour packages, tour activities and accommodations. One example is our Northern Europe tours, where we have made special arrangements for our customers to stay in the newly-launched, spacious glass igloos in Finland. We are also the sole distributing partner for exclusive sledging activities on Mt. Bussalp for our Switzerland tours.

DIVERSE CHOICES & OPTIONS

EU Holidays is well-known for our ability to design different itineraries to cater for various clienteles. Each itinerary can be specially personalised to fit every customer's needs, interests and preferences, including the option to extend your stay. We also launch new itineraries and destinations frequently because we believe in creating novel and exclusive experiences for our customers. At EU Holidays, we take special effort to craft a wide variety of unique itineraries that customers can choose from, such as country-focused or multi-countries packages.

REPUTATION & AWARD WINNING

Over the years, EU Holidays had received many prestigious awards, such as the Singapore Prestige Brand Award from the Association of Small & Medium Enterprises (ASME) and the Singapore Quality Class certification from Enterprise Singapore. Our company was voted the No.1 Travellers' Choice for Europe, USA, Japan and China by Weekender Singapore for 2019. EU Holidays was also awarded the TripZilla Excellence Awards 2022 for our Europe, Australia, Exotic, and Japan tours. We were also named the top travel agent by our supporting partners, namely Cathay Pacific Airways, Emirates, Etihad Airways, Finnair, Lufthansa, Qatar Airways, Kaksaluttanen Arctic Resort, and Jungfrau Region Grindelwald Sledging.

Bucket List

TIPS & TRICKS:

- 1) Make sure to wear some comfortable shoes, suitable for stairs and narrow alleys. Don't worry about getting lost, it's the only way to discover hidden gems!
- 2) Admire the street art. You will find sculptures and paintings at every step. Expect to see colorful houses dressed in colorful art pieces. Especially a photo with the Little Prince and the Fox!

Feast your eyes upon the kaleidoscope of colour that makes up Gamcheon Culture Village, a resident village

turned tourist attraction after it was given a colourful facelift. Built in the 1950s by Korean War refugees, this village started as a shanty town. Slowly, the people started building brick houses in staircase-fashion on the foothills of a coastal mountain and the village got bigger and bigger. It became the main tourist attraction in 2009 when the government decided to renovate it. The many alleys cutting through this community are vibrantly decorated with murals and sculptures created by the residents.

Haedong Yonggungsa Temple

At first sight, the stunning backdrop of Haedong Yonggungsa Temple might just take your breath away – it sits atop rocky cliffs fringing the coast, striking up a dramatic image as waves hit the rocks, but stays serene as the sea when the waves are calm. One of the only Buddhist temples in South Korea situated along the coast – most are nestled in the mountains – the unique site of worship is guarded by 12 stone zodiac statues and boasts an impressive 8-storey pagoda.

Haeundae Blueline Beach Train

Get ready for an unforgettable experience with the Haeundae Beach Train, where adventure meets relaxation in the trendiest way possible! This unique sightseeing train not only transports you but also offers stunning coastal views that will leave you breathless. Picture yourself cruising from Haeundae Mipo, gliding through Cheongsapo, and reaching the picturesque Songjeong. It's the perfect opportunity to embrace the youthful spirit, unwind, and get lost in the beauty of the coastline. If you're looking for a laid-back and captivating adventure, the Haeundae Beach Train is calling your name!

The Busan Air Cruise

Previously called the Songdo Sea Cable Car, got a makeover in June 2017 to bring back the awesomeness of Songdo Beach, Korea's first public beach. This cool cable car ride takes you from Songlim Park to Amnam Park, treating you to killer views of Songdo Beach, Busan Yeongdo, Namhang Bridge, the rad Songdo Coastal Dulle Road, and the epic cliffs along the coast. Plus, they've got awesome stuff like the "Dino Adventure," a cable car musician at "Songdo Spellmeyer World," and even Asia's first public passenger virtual reality attraction with "VRSky Wing." It's the ultimate tourist experience that combines natural beauty and the hip vibe of Songdo Beach.

3. CANCELLATION BY THE COMPANY

- 3.1 The Company acts as an agent for service suppliers. After deposit or full payment has been made, all arrangements are still subject to final confirmation by service suppliers. At times due to low subscription for a group tour, the Company may choose to cancel the entire tour fourteen (14) days prior to departure.
- 3.2 The Company shall also not be held liable for any contingent costs incurred by the Customer arising from the cancellation.
- 3.3 The Company may recommend alternative tours either to the same destination or other tours, based on the current tour fare of that cancellation period. Please be aware that for some itineraries you may travel through a country without making an overnight stop but you will still require a Visa to enter/exit the country.
- 8.2.3 In consideration of the interests of other passengers in the same group, the Company strongly discourages all passengers from applying for Visa Upon Arrival at the destination country. 9. **GENERAL MATTERS RELATING TO TOURS**
- 9.1 **Accommodation**
Accommodation is as specified in the tour brochure / itinerary / tour booking form. In the event the specified accommodation is not available, every effort will be made to scout for an alternative in another accommodation of similar standard. Hotel room sizes, facilities and services may vary in different country. Accommodation for adults is based on twin-share, double or triple-share bedroom. Different room type might not be on the same level. Single room occupancy comes with an additional cost.
- 9.1.1 Room size is generally slightly smaller than what you may be used to. Space is precious commodity in Europe and especially in its busiest cities. Many of the buildings will have been in existence for hundreds of years and were not built with the modern traveller in mind. The upside is that they are usually in excellent locations and have a fascinating story to tell.
- 9.1.2 Bed sizes may also differ. In Europe, King and Queen-sized beds are very rare. Here, double beds are the norm and you may often find that a double room consists of two twin beds pushed together instead of a full bed, made up with one set of linen. You may also find that twin beds will be placed very close together.
- 9.1.3 A triple room is the same size as a twin-share room. The third bed is always a roll-away bed or sofa bed added into the room. As a result, you may feel that the room is very cramped and small.
- 9.1.4 Europeans are very socially and environmentally conscious, especially about air-conditioning in Europe. During autumn and winter seasons, the central air-conditioning will be switched off in the hotel rooms. So, do not expect that the air-conditioning will be switched on in the room. You may open the windows to let cold air in, where possible.
- 9.2 **Special Request**
If there are any requests regarding special meals, dietary requirements, adjoining rooms, flight seating arrangement and so on, please inform the Company upon booking. However, such requests are strictly subject to confirmation and availability by the airlines/hotels. There are no halal meals on tour.
- 9.3 **Baggage**
The Customer is usually allowed check-in baggage not exceeding twenty (20) kilograms. Only one piece of hand-luggage not exceeding seven (7) kilograms is allowed on board the aircraft. Excess baggage charges must be borne by the Customer and are subject to individual airlines' company policy.
- 9.4 **Meals**
9.4.1 Meals, including meals served on flights, are as indicated in the tour brochure / itinerary / tour booking form. In the event where in-flight meals are not served due to whatever reasons, there shall be no refund or replacement.
- 9.4.2 You and your travelling companions will generally dine together at a designated time. Table will often vary in size and free seating enables you to dine with family members or new travelling companions each evening. A breakfast buffet is included daily and will reflect the local regions tastes and culture. Very occasionally, an early

- departure may result in a light breakfast box for you to take away if applicable. Lunches are sometimes included but are usually an opportunity for the guest to enjoy some free time to visit a local café, bar or restaurant and eat where the locals do. Your tour manager will be able to provide you with a range of options to suit all tastes and preferences.
- 9.5 **Seat Rotation**
For the convenience of all members of the group, passengers may be requested to rotate their seating arrangements on the coach during the period of the tour. Please cooperate when requested to do so by the tour manager / tour leader / guide.
- 9.6 **Motor-coach**
For selected itineraries with Wi-Fi on coach using 3G mobile network, please be aware that the connection is slower than standard broadband and at times may not be available. It is good for checking emails, web browsing and updating social media accounts, but less so for streaming videos or large photo uploads.
- 9.7 **Single Room Supplement**
Please note that customers paying for single room occupancy supplement charge will be allocated a single room. The single room supplement charge as indicated in the booking form applies. Hotels will try their best to upgrade twin/double room for guests who opt for single room occupancy, but this may not be possible in the event when hotel occupancy rate is high.
- 9.8 **Suggested Excursion**
Optional list may be subject to change, depending on the time you are travelling or local circumstances including weather and days of the week. Further information will be provided by your Tour Manager / Guides during the tour.
- 9.9 **Flights**
The tour group might be comprised of flights on different airlines, so the Tour Manager may not be on the same flight as the group. If the group is not on the same flight as the Tour Manager, the group will have to proceed to transit on their own. There will be a check-in staff at Singapore Changi Airport to assist the group to check in if the Tour Manager is not flying together.
10. **PRICING POLICIES**
- 10.1 **Tour Fare Includes**
Return economy class group tour air ticket, local transport, accommodation, admission fees, meals and sightseeing programme as stipulated in the tour brochure / itinerary / tour booking form.
- 10.2 **Tour Fare Excludes**

- 10.5 **Mode of Payment**
Payment may be made in cash, by NETS, PAYNOW, AXS, cheques or credit cards. Cheques will only be accepted if presented to the Company at least seven (7) working days before scheduled tour departure. Credit card payment may incur additional surcharge for special promotion packages, you may refer to our staff for confirmation. Overseas Bank transfer may incur additional surcharge and to be borne by the Customer.

11. **RESPONSIBILITY**
- 11.1 The Company acts as an agent for the carriers, transportation companies, hotels and other principals of the tour packages. The Company accepts no responsibility for any injuries, losses, damages, accidents, flight cancellations, delays, theft, quarantine, customs regulations, strikes, weather hazards, political unrest, changes in itineraries, deportation or refusal of entry by Immigration Authorities resulting from improper travel documents, possession of unlawful items or irregularities that may cause damage to person or property. Any losses and/or expenses incurred are the responsibility of the passenger. Ensuring all proper travel documentation is in place is the sole responsibility of the Customer.
