DAY 3 OSLO ► KIRKENES

Breakfast

Board a domestic flight to Kirkenes, a small nondescript town with plenty to see and do. Admire the gorgeous scenery featuring snow-capped mountains and crystal-blue fjords, and if luck is on your side, you may even be able to witness the enthralling Northern Lights. In the afternoon, embark on a phenomenal King Crab Safari experience, where you will get to catch the Arctic King Crab (metaphorically, not literally) and learn how to cook and eat these huge creatures that can weigh up to 15 kilograms. Depending on the weather conditions, you may head out to the frozen fjord by a snowmobile sleigh and try to catch a king crab. Indulge in a hearty seafood meal and savour the sweet freshness of the king crab as you watch a multimedia presentation by a king crab specialist.

Note: King Crab Safari is depended on weather conditions. You may use a boat to the fjord instead of a snowmobile.

The appearance of the Northern Lights cannot be guaranteed as it is a naturally occurring phenomenon and is subject to weather conditions.

DAY 4 KIRKENES ► SAARISELKÄ

visit to Santa Claus Village where you can peruse through the numerous souvenir shops and send a postcard from the Santa's Main Post Office to receive a special Arctic Circle stamp. You will also be awarded with an Arctic Circle Crossing Certificate as proof of your journey across the Arctic Circle. On top of that, meet Santa Claus in the Christmas House of the Santa Claus Holiday Village and receive a lasting memory of the meeting in the form of a high quality photo. Last but not least, embark on an unforgettable reindeer sleigh ride and grab the opportunity to earn your very own reindeer driving license.

DAY 6 ROVANIEMI ► KEMI

Breakfast, Dinner

Depart to Kemi and experience the complete silence of the arctic nature around you. Ride a Husky sledge through the untouchable winty woods. During the break, listen to the musher's stories of the huskies, their life and training. The way to the Husky Farm goes through the beautiful countryside and you will get a glimpse of the local life and nature. In the afternoon, we will visit the Snow Castle, walk through the snowy gates and admire the architecture, ice carvings and sculptures. Then explore the coziness of the beautiful rooms in the Snow Hotel – you can even lay down in one of the beds and imagine, how it would actually feel like to sleep in here! Finally, your tour ends in Snow Restaurant.
