Next, visit the beautiful **Höfði House** and the **Hallgrímskirkja** church, whose unique, magnificent structure dominates the skyline, making it visible from every part of the city.

DAY 3

REYKJAVÍK > GRÁBRÓK CRATER > AKUREYRI

Breakfast, Dinner

Kick off the day with an adventure to **Grábrók Crater**, located on the outskirts of Reykjavik. The largest of three craters in a short volcanic fissure, take on a short climb up to the top of the crater to be rewarded with amazing views of Borgarfjörður and the perfect dome-shaped volcanic cones in the surrounding field. After which, head onwards to **Akureyri** for a guided sightseeing tour of the small, laidback port city. Enjoy the rest of the evening free at leisure and take the time to admire the picture-perfect scenery.

Thereafter, visit one of the most magnificent waterfalls in all of Iceland, **Goðafoss**. Feast your eyes upon the magical sight of aqua blue water torrents gushing over falls shaped like a horseshoe, a vision that becomes only more stunning in the evening when the sun sets. The geographical wonder of **Lake Mývatn** is the next stop, a site brimming with Earth's natural wonders – from lava fields and rock formations to sulphur springs and dark caves. As darkness falls, have a restful night at a countryside resort in the north of Iceland.
