Take a side trip out of Stuttgart and make your way to **Schwangau** for an up-close view of the famous castle known as the icon of romance and fairytales – the **Neuschwanstein Castle**. The inspiration for the castle featured in Disney's classic fairytale "The Sleeping Beauty", this picturesque clifftop castle was built for King Ludwig II between 1869 and 1886 and was meant to "embody the true spirit of the medieval German castle". We recommend walking up to the **Marienbrücke** – the suspension footbridge behind the castle, the perfect spot for beautiful pictures of the castle with Schwangau in the background. Next, make a point to visit the less famous but equally important neighbouring castle, **Hohenschwangau**, the former Bavarian ruling house. Thereafter, return to your hotel in Stuttgart to rest for the night.

In addition to excellent white wine and restaurants, Würzburg also offers visitors a wide array of historic art and architecture spanning the Romanesque, Gothic, Renaissance, and Baroque and Rococo periods.
